- **SFU** – online courses must be completed by **April 30**
- **UVic** – online courses must be completed by **May 31**

## **WHAT HAPPENS AFTER I APPLY?**

After you have submitted your post-secondary application, you will receive an email from the institution confirming that they have received your application. They will then advise you of the next steps you need to take.

**UBC** – You will be asked to upload your term 2 report card to UBC. You will receive your report card from Handsworth on March 10; you have until UBC's **March 20** deadline to upload your report card.

**SFU** – Self reporting is from January 4 to April 30. SFU's website indicates that if you are studying on a linear system (like Handsworth), you should report marks at the end of Term 1. If you have not received an offer of admission once Term 2 marks become available, you should self-report your Term 2 marks.

**UVic** – Self-report between February 15 and March 31. You will be able to submit marks only once, so be sure to wait until you know your midterm grades.

**CAPILANO** – Self-report grades between January 16 and March 31. Like UVic, you can only self-report your grades once.

## **TRANSCRIPTS**
